'See yourself in a different light'

Over the last 15 years
Helen Tinner Photography
has captured all the
major national clay
shooting events, the
Game and Wildlife
Conservation Trust's clay
days, plus many other
charity shooting events

The team captures
the atmosphere...
from start to finish

Creating a fantastic
“stock library” of
images... you can
use for marketing
and your guests can
purchase as a
souvenir of their day

We photograph
individual guns;
teams; sponsors;
guests; the speeches;
prize giving;
luncheons and
auctions

Photography by Helen Tinner

Plus, we have infra red remote technology to take “action” photographs that capture guns in front of the cage, retaining everyone’s safety

We also print photos immediately, so your guests can take away professional photos as a memento of the day

We will add your event or venue name to each image, so enhancing your brand to a wider audience

Helen Tinner Photography
would be delighted to
capture your clay
shooting experience,
through fabulous
professional photographs

Testimonial

"Helen Tinner has been a great asset to our many charity clay shoots over several years in several counties. She understands how the days run, is incredibly efficient, discreet and adds an exciting element to the day. Her photos are very popular. Helen is an asset to any clay day!"
