Conference Testimonial

“This will be the 10th year of working together with Helen. She creates fantastic photographs, which we utilise to promote the conference. The techniques she uses always guarantee to get the best photographs possible without resorting to ‘botox or surgery’”.

Ruth Moss, Conference Organiser for the BSIR & VASBI

Golf Day Testimonial

SJB Consultants have used Helen Tinner Photography on a number of occasions over the last 7 years. We have been lucky enough to enjoy the individual action shots at two of our corporate golf days, the last being when all 60 players were presented with mounted, personalised photos before the evening meal.

As well as being good fun Helen is a true professional who offers individual photography.

We would thoroughly recommend her.

Charity Ball Testimonial

Paul Boyles
Events & Marketing Manger. Pyecombe
Golf Club

Pyecombe Golf Club have used Helen Tinner Photography for the four Annual Balls. They were excellent from start to finish and we would highly recommend their services to anyone.

In particular they were friendly, bubbly and professional throughout and made our members feel at ease through the evening.

They set up quickly and efficiently and massively contributed to the feel of the evening. Prior to the event Helen had kindly sent us some photo-shoot vouchers to raffle. We will definitely be working with Helen Tinner Photography again.

Corporate Testimonial

"In this multimedia and social networking age, there is no getting away from the fact that we need to do everything possible to promote ourselves and our message to as wide an audience as possible. Helen has provided us with enormous help - improving our "shop window" by using her professional skills to obtain high-quality photographs.
