Technician

@helentinnerphotography

We are looking for technicians who can assist at our events by editing photographs onsite (using a simple editing programme) and selling photographs to those attending. Training will be provided. Photography experience is not essential.

We travel to different locations in and around Suffolk,
Norfolk and Essex.

We have many events coming up.

Hours and days are not set in stone due to the nature of
the role and the work involved.

Training will be provided either on or off the job.

For technicians, training normally takes 1 – 2 events.
