

Photography Voucher Information

Helen Tinner Photography (HTP) provides photography vouchers for 'Unique Photo Shoots', that the PTA can use to raise money for schools and nurseries.

We give the PTA these vouchers, which can be sold at any price. It is up to the PTA to make bookings, which we advise every 10 – 15 minutes. The PTA writes the booking times onto the voucher. We set up a date and location with the PTA. On sunny days we suggest to take the photographs somewhere outside, perhaps a picturesque setting within the school boundaries, a local park or someone's garden, otherwise we will bring along our V.I.P. studio and set up anywhere indoors, such as a sports hall. Fantastic for families, friends or updating actors and models headshots. * T & C's apply.

We look forward to hearing from you soon. Best regards, Helen Tinner.

Example text for school's or nursery's to use for advertising our 'Unique Photo Shoots'
